

Talala is proud to be a **PBIS** School!

(PBIS=Positive Behavior Interventions and Supports)

Dear Parents/Guardians,

We are happy to be back and excited to begin a new school year with a fresh start and positive attitude! Here at Talala we strive to ensure that your child has a positive experience every day at school. In order to do so, there are certain expectations that our school requires the students know, understand and follow. These expectations (**Be Safe, Be Respectful, Be Responsible**) are school wide and consistent in grades K-5 which allows students to know exactly what is expected of them wherever they are in the building.

Your child has spent some of today visiting the school expectations with their classroom teacher and other staff members to guarantee that each child knows how they should behave at any given place in the building. We have attached a behavior expectation matrix, in student friendly language, to look at and go over with your child. Every student at Talala should be able to explain what each expectation is and answer any questions you may have.

However, if after you spend time looking at and discussing it with your child, you have any questions, please feel free to contact your child's teacher, the school administrators, Dr. Elliott, Mr. Watson or our school social worker, Ms. Perkins. Thank you for taking the time to go over this with your student. Your dedication as a parent is the most important part to your child's success!

Thank you,

Talala PBIS Team

The PBIS team has a number of fun and exciting events planned for our Talala students this school year. Each month we will have an assembly where students who have had good behavior will have the chance to earn prizes. Students will be earning tiger tickets for good behavior that can be used to buy items at our Paw Post. Students earn paw stars that will be redeemed at school wide celebrations.

We are excited about all these opportunities for our students, but we can't do it alone. **We need your help!!** Please consider joining in on the fun by volunteering 1-2 hours of your time to help at one of our PBIS events. All parents who volunteer will be recognized on our Parent Volunteer Appreciation Board. Once a trimester we will have a raffle for all parents who volunteered. If you are interested in volunteering, please fill out the bottom portion of this paper and return to your child's classroom teacher.

We will contact you when events come up. Thank you for your support and willingness to help make Talala a great place to be!
