CRETE-MONEE SD 201U

2019 STRATEGIC PLAN

Dr. Kara Coglianese, Superintendent

## YOU ARE HERE.

In Spring 2019, our Board of Education embarked on a strategic planning initiative entitled *Future Forward*. We began gathering important feedback from our stakeholders. This data would ultimately help us understand your perceptions, hopes, ideas, and needs. The result is our new comprehensive Four-Year Strategic Plan that will serve as a roadmap on our journey to fulfilling the District's mission and vision for the future!

## Our Mission:

Empower each student to positively impact the world for a bright new future.

Goal ONE	Goal TWO	Goal THREE	Goal FOUR	Goal FIVE	Goal SIX
Provide a challenging and equitable education for all students to promote a pathway for life success.	Nurture a safe, respectful, and inclusive learning environment to instill learner confidence, growth and success.	Cultivate a high quality, diverse staff who will foster an inclusive work environment of innovation, collaboration, high expectations & accountability.	Create sustainable partnership with family and community stakeholders to build a <i>unified</i> network of support for our students.	Provide our students with equitable, safe, and well-maintained facilities.	Prioritize our financial resources to meet our short and long-term goals.

For each of the six goals, the district will identify indicators, and measures to set improvement targets, monitor progress, and report performance.
