Dear Ladies,

On behalf of Monee Elementary School, thank you for donating your time and resources with the Shop with a Hero event this year. Your presence, kindness and generosity is truly appreciated. Also, thank you for providing gift cards so students could go on a \$100 shopping spree with members of the Monee police or fire department. Students were able to buy a number of items at Walmart for that special someone they believed deserved it during the holiday season. I am certain that your help has made such a difference in the lives of our students, teachers and their families. We thank you for your continued support for our school and community.

Sincerely,

Dr. Amos K. Vaughn,

Principal
